RE: Charlie Stuart for Congress (FEC ID#: C00411603)

AR09-05

Dear Ms. Devine,

Thank you for your time this morning and for your help. The letter from Mr. Jeff Jordan dated August 11, 2009 was picked up by me on August 20, 2009. I write today to ask for an extension of the submission period - to the end of September would, I think, suffice.

The original records we need (copies of checks, etc.) were all sent to the FEC for the audit, and we need those copies to complete the detailed review of the issues in question. The records are being shipped back to us any time now, according to the person we talked with in the FEC audit division, and we will need several days after receipt to review them.

On another matter, the treasurer of record, Jeff Berger, has long since ceased acting in that capacity, and should, I feel, be released from responsibility in this matter. As the candidate, I am willing to be the person held responsible for the acts or inactions of the campaign related to the FEC. What steps need to be taken to release him from this role?

Please let me know if you have any questions - and thank you for your help and courtesy.

Sincerely,

Charlie Stuart
